Sponsorship Opportunities

JUNIOR BASKETBALL CLUB

The Padbury Pumas Junior Basketball Club is looking for new sponsors to support its fundraising efforts.

Who are Padbury Pumas?

Padbury Pumas Junior Basketball Club are the largest domestic club in WA, we currently have 42 junior teams (that's 336 players) playing in the summer competition, in the last winter competition we had 32 teams (258 players)

The Padbury Pumas Junior Basketball Club prides itself on creating an environment where all junior players can play, develop and enjoy their basketball with the assistance of good coaches and strong parent participation, some of whom also make up the dedicated Committee group.

Where do Padbury Pumas players come from?

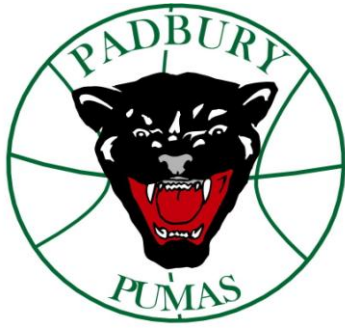

Our players come from various suburbs not just Padbury, we have players from Carine, Butler, Kingsley, Hillarys, Duncraig, Woodvale, Sorrento, Joondalup, Mullaloo, Landsdale and many other surrounding suburbs.

Where do Sponsorship monies go?

All funds raised by the club through fees and fundraising are put back into the junior teams by way of up to date equipment, team singlets, trophies, first aid kits, coaching support and annual windups. More often than not our greatest expense is new singlets as they wear out or the players simply grow out of them. This is the main area where we look for your support as new team sponsors.

Healthy Club Policy

The Padbury Pumas basketball Club supports the provision and modeling of positive health messages and the maintenance of healthy environments. A copy of our healthy club policy relating to smoking, alcohol and other drugs, sun protection, sport safety & healthy eating is available upon request.
